

Special Notice – Excluded Providers

This tool was designed to help you easily locate physicians and other health care providers, hospitals, and facilities participating in the United Healthcare National PPO Network. While we take care to make the directory complete and accurate, the network of participating providers occasionally changes.

The providers listed below may not be participating for your benefit plan. This is dependent on the benefits your health plan offers. It is important to note: You will find these providers listed in the Provider Search Application. Please check with your administrator to see if this list applies to your plan.
